Dear Pam,

Thank you so much for your letter confirming that New Grove Trust would like to support Herefordshire Wildlife Trust's newest venture into WILD Forest School, we are very excited about setting up the site and getting children out to play and explore the woodland.

We had 8 children sign up to the WILD Forest School sessions and started them yesterday. They all thoroughly enjoyed themselves and spent over an hour building a den in the woods as two teams, learning to use saws and practicing knots. We are all looking forward to the next session.

I can confirm that we have received and banked the cheque. I will be in touch in due course with details of how the project has developed with your generous support.

Kind Regards

Joanna Dainty
